### Southside Dental Update

On behalf of Pierce County Health Department, we would like to provide updated information regarding Southside Mobile Dental Services. Currently, Southside Community Health Services is going through several internal organizational changes, as well as working toward the opening of a new facility in Cottage Grove, Minnesota. At this time we are unsure when the Southside Mobile Dental Van will be returning to the Pierce County area. We will continue to provide updates as changes occur. If you are in need of dental services, Southside will continue to see clients from Wisconsin at their Cottage Grove and Stillwater locations, for appointments please contact Southside Dental at (612) 822-9030. Dental services are also available through Rural Health Dental Clinic at the Menomonie (715) 235-1573 or Turtle Lake (715) 986-2599 locations. Thank you for your patience, we hope to have more information soon.
